FREED BY LAW, WOMAN RETURNS TO FIRST LOVE

Wife Reclaimed by Husband She for Years Had Mourned as Dead.

TO A DIVORCE SEOUEL

Special to the Indianapolis Journal. MARION, Ind., June 7 .- Mrs. Stephen Applegate, of Marion, is the central figure in a modern Enoch Arden story. Thirteen plegate was married to Edward Lindsay at Cleveland, O. Shortly after their marriage and was forced to leave his wife and seek employment in another city. He went to Cleveland, O. For a number of weeks he wrote to his wife, but finally his letters ceased to come. She commenced a search for him, but no trace of him could be found. After years of waiting for his return she was forced to believe him dead. Two years ago she came to this city. She met Stephen Applegate and a short time later they were married. She believed her first husband dead, and thought the second marriage legal. She was astorished three months ago when she found Lindsay, her long lost husband, standing before her when she answered a knock at the door of her home in West Marion. Lindsay was Man in Garb of Minister Seeks to another after long waiting for his return but she at once suggested that she would desert Applegate and go with her first hus-Lindsay refused to agree to this plan. He said that he would wait until she could secure a divorce before reclaiming her. He then left the house, and

The Rev. Mr. Bartlett Asked to Pay \$5,000 for Stealing Mrs. Hilligoss's Affections.

Special to the Indianapolis Journal. MUNCIE, Ind., June 7.-Suit was filed in the Circuit Court here to-day by Edward C. Hilligoss, of Anderson, against the Rev. Martin V. Bartlett, of this city, for \$5,000 for alienation of his wife's affections. Hilligoss and his wife were members of the church at Fairmount of which the Rev. Mr. Bartlett is still pastor. Hilligoss claims that the minister's visits at his home became so frequent that he finally decided to investigate. He watched one day and saw the minister kiss his wife. A suit for divorce followed, which Hilligoss obtained at Marion last fall. He claims that his wife, after he had learned her secret love for the minister, attempted to have him declared insane. Hilligoss resides with his children in Anderson. He is sixty years old. Eart-lett removed to Muncle, but is still pastor of the Fairmount Church.

MICE RID THE CITY OF AN OLD EYESORE

Rodents Gnaw Matches and Start DISTRICT MEETING Fire That Destroys Old Buildings at Noblesville.

Special to the Indianapolis Journal. NOBLESVILLE, Ind., June 7.-At early hour this morning fire broke out the old buildings on the west side of the public square and came near wiping them idated condition makes it impracticable to Ram's Horn, will deliver his lecture, "In repair them. The City Council will hardly permit their repair, as they are an eye-sore to the city and had long been considered a fire trap. The loss is not known. Most of the goods in the shops and stores were saved. There was no insurance on goods or buildings. The fire is supposed to have originated in a lot of excelsior in Klepfer's second-hand store. Mice are supposed to have gnawed some matches near the excelsior.

DEED AS BIG AS LAND TRANSFERRED

Chinese Send Bulky Document to Washington Granting Title to Legation Property.

WASHINGTON, June 7 .- Enough fine, tough rice paper to cover, if spread out, a considerable portion of property acquired was required to engross the deed by which the Chinese owners transferred to the United States government the site upon which the new American legation building in Peking is being erected. The document was received at the State Department yesterday and was covered with large Chinese characters which nobody could read, but Minister Conger, in transmitting it, said that it was the deed to the American legation property, and the department officials accepted it as sufficient.

Slack Named for Joint Senator.

Special to the Indianapolis Journal. SHELBYVILLE, Ind., June 7 .- L. Ert Slack, of Franklin, was nominated here this afternoon by the Democrats of Johnson and Shelby counties as the nominee to make the race for joint senator. Elba Branuagan, of Witness in Dunn Murder Trial Sister Superior Throws Desperado Temperance Element Seeks to Pre-Franklin, placed his name in nomination. There were no other candidates and his nomination was made unanimous.

Refuse to Extend Franchise.

Epecial to the Indianapolis Journal. ALEXANDRIA, Ind., June 7 .- The City Council last night refused the request of the Indiana Union Traction Company to extend the franchise granted them two years ago to build the line through the city washington street from Muncie, and declared the traction company's \$5,000 bond

Hart Sentenced to Prison.

LARGEST STEAMER SOON TO MAKE MAIDEN VOYAGE

Novel Features of the Liner Baltic | They Say They Find in Caring for in Equipment and Carrying Capacity.

NEW YORK, June 7.-Within a few weeks the largest ship affoat will again enter this harbor. This is the White Star liner Baltic, which is due to arrive here on her maiden voyage on July 7.

In succeeding to the title of Queen of the

Atlantic, the Baltic follows her sisters, held it successively for the last five years. was somewhat in the nature of an experiment at the time that it was undertaken, but its success is indicated by the fact that the Cedric, which until now has been the leading exponent of this type of ship, last year carried more first-cabin passengers, trip for trip, than any other liner sailing Only a few days ago it was announced

that one of the German lines which heretofore has been one of the leading competitors for speed had decided to adopt the coaching party was given this evening to new style of ship and would build a liner of over 30,000 tons, of the same type as the H. Ismay, president of the White Star Company, decided that the striving for

> ship of greater size, steadiness, luxury and reserve power than any in existence. This was the inception of the Oceanic, and the same ideas were carried still fur-Cedric, which followed soon after. The Baltic has the same beam as Celtic and Cedric, but is twenty-five feet longer and about 3,000 tons heavier. Her length is 725 feet 9 inches, her beam seventy-five feet and her tonnage 24,000. Not only is she a giant in size, but her equipment shows the steady and rapid progress that is being made in the construction of ocean vessels. Perhaps this is most marked in her various electrical devices, in respect of which the Baltic is far in advance of any liner now in commis-

Some of these are safety devices. To prevent collisions in fogs or at any other time there is an indicator on the bridge which points to the exact location of any ship entering its magnetic zone. This is in the shape of a dial with needle set in its face. As soon as another ship comes within a certain distanceabout five miles-the needle points directly at it, and in this way its exact location

is made known. steamer are registered by means of the wave vibration, thus making it impossible for another ship to creep upon the Baltic in the dark or fog without its presence being indicated. These indicators are being placed on the ships of the English navy. The Baltic is the first steamer to have a complete electric cooking and refrigerating apparatus.

CLASS PLAY GIVEN BY

Special to the Indianapolis Journal RICHMOND, Ind., June 7 .- The feature of the day at Earlham College was the programme rendered this morning by the seniors at Lindley Hall. Much attention is always paid to class day, and this was no exception this year. The class presented erly as to win the unstinted praise of the audience. Miss Louise Stanton and William Reagan were seen in the leading roles. The pretty decorations and stage setting have probably never been excelled by an Earlham class. To-night the alumni tea | Wednesday. was given. It was given early in the evening and was followed by a programme of toasts. Wilson S. Doan, of Indianapolis, was to have been toastmaster, but was unavoidably absent. Jacob P. Dunn, of Indianapolis, took his place. Those who spoke were Dr. D. W. Dennis, Dr. Adolph Gerber, Elma Austin Watson, Wilmington; G. S. Spray, Salida, Col.; J. B. Gordon and President R. L. Kelly.

Yocum, \$17; Allen in the case in which he was accused of us- Mitchell, \$10; James W. Sharp. \$17; John J. ing the mails to defraud. A mandate was | Thomas, \$10; Henry Shepard, \$6; George Dr. R. D. Randolph and a searching party to Alabama on the south, was in such condition sent to the United States marshal to take Smith, \$20; Harriet Snyder, \$8. Adam Herwaylaid the tramp as he was coming into Churches in Tennessee, eleven in Centucky, that it was impossible for the coroner to Waldron. He was overpowered and brought including the six in the city of county of county of the coroner to Columbus to begin serving his seventeen light. Six Mary Barnard, \$8. Caroline

ELEPHANT GETS DRUNK AND SWIMS TEN MILES

Sambo Broke Loose from His Keepers at Coney Island and Started for Africa.

NEW YORK, June 7 .- Sambo, a baby elephant performing at Coney Island, got drunk, broke loose from the compound, and, reaching the surf, struck out for Sandy Hook. He came ashore at daybreak to-

Evidently he figured on swimming back to Africa, but, going the wrong way of the track in the channel, he; turned in between Swinburne and Hoffman islands and was headed for the grassy waters of the Kill von Kull, when he was sighted at daybreak by Frank Kessler. Jersey City. who was in a boat a mile from New Dorp. Kessler thought he saw a sea serpent and was in great consternation, until Sambo lifted his trunk from the water and

less children in the world, in Chicago, good Kessler recognized the strange apparimothers of any kind must certainly be of tion as an elephant and threw out all his use." ming up to Kessler's boat, aid his trunk at Winfield, Ill., a big garden and a heart | across the gunwale. Kessour pulled for

Sambo calmly followed Kessler ashore. He isn't a formidable creature, standing only five feet high and being gentle as a lamb. Kessler led him to Adoph Eberel's Speedway Inn, on the boulevard, back of Midland beach, and mine host provided his strange guest with a bale of hay. Sambo seemed grateful. Then the bolice of New Dorp were notified, and they impounded the elephant in the barn back of the sta-

Sambo was tired after his night of adventure in the water and soon rolled over and slept. He swam over ten miles in his water journey from Coney island to Mid-land beach. He will hereafter be labeled as the only deep-sea-going pachyderm in cap-

MEDICINE MAN SLAIN FOR FAILING TO CURE

DENVER, Col., June 7 .- A brother of Ignacio, chief of the southern Utes, was killed several days ago by a Ute Indian named Ewoop. The murdered man's name and his services were sought by Ewoop to restore his brother to health. The med The present delight of Dr. Acres, Eliz- cine man attended the sick man for several down to him by his forefathers, but all to no purpose, and the sick man died.

Ewoop blamed Wap for his brother's death and lost no time in seeking vengeance. He found the medicine man and put a bullet through Wap's body. The murderer was not arrested by the Indian police, there being about an equal division of opinion among the Indians as to the right and wrong of the deed;
